8451 '99 JUL 12 P2:57

June 30, 1999

Dr. Jane E. Henney  
Commissioner/Food & Drug Administration  
5600 Fishers lane, Room 14-71  
Rockville, Maryland 20857

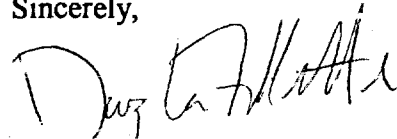

Dear Dr. Henney:

I strongly urge you to ban the use of antibiotics to promote live-stock growth when those drugs are used to treat humans.

This use is endangering human health and is not really needed for the meat production industry.

Thank you for your consideration of this matter.

Sincerely,

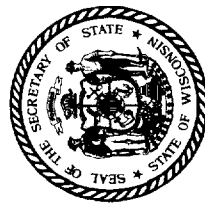

Doug La Follette  
Secretary of State
